

Our Strategic Framework At-a-Glance

1. COMMUNITY + CULTURE

Ensure that the school's culture is consistent with the values it espouses, even as the programs and operations evolve.

2. PROGRAM

Offer a dynamic program that reinforces our commitment to the highest academic standards, reflects our distinctive educational philosophy, and maximizes the opportunities for mission-appropriate and mission-appreciative students.

3. BOARDING PROGRAM

Build a thriving residential program that fosters a diverse student population.

4. FINANCE

Sun Valley Community School will have long term financial viability in order to execute the mission of the school.

5. FACILITIES, SAFETY + SECURITY

Sun Valley Community School will continually strive to maintain and enhance our learning and living spaces to meet and support our mission and student experience.

6. BRANDING

Establish a nationally and internationally recognized brand to meet enrollment goals and secure financial support for our mission.

7. FACULTY + STAFF

Sun Valley Community School will recruit and retain faculty and staff who are highly qualified, passionate about their jobs, dedicated to fulfilling the school's culture, values, and mission, and love working with students and each other.
